

LiveData Plus ABS OBD II & CAN

OBD 1100

Reads OBD II Generic Codes for all 1996 and newer vehicles. Also reads ABS codes for most 1996 and newer domestic and Asian vehicles (see website for full coverage). View live data (RPMs, sensor readings, coolant temperature, etc) with over 300+ possible PIDs available.

Code definitions and live data are just a start of the tasks it can handle. LiveData Plus also provides Freeze Frame data, VIN info and displays the (I/M) Inspection Maintenance readiness monitor status (vehicle emissions).

- ▶ Code definitions on-screen
- ▶ Freeze frame data (Engine data at the time of the fault)
- ▶ View live data
